

FACILITIES & FEATURES

Welcome to Dr.Gagandeep Rotary Public School, Sunam, Distt. Sangrur (Punjab)-148028, a temple of learning that offers the best of the ancient and the modern.

Established in 1989, **Dr.Gagandeep Rotary Public School**, is a school located **Sunam, Distt. Sangrur (Punjab)-148028**, giving emphasis on education specially for girls and catering educational needs of wards of parents of nearby villages in its vicinity. Its location affords the solitude of nature, far from the pressure and noise of the city. The vast and open surroundings provide a perfect peaceful and pleasant atmosphere for the development of the youngsters. The school owns a grand and modern double storey building. Class rooms are constructed to ensure cross ventilation and light with generator facilities.

"Children are living beings-more living than people who have built shells of habit around themselves. Therefore it is absolutely necessary for their mental health and development that they should not have 'mere school' for their lessons, but a world whose guiding spirit is personal".

About Dr.Gagandeep Rotary Public School

The school offers a rich mix of the traditional and the modern - the cultural heritage of the former, and the technological, pedagogical and creative advances of the latter.

The institution has a learning environment that is invigorating and unfolds the true potential of every child. The students, thus excel not only in academics, sports and co-curricular activities but also evolve as responsible and caring individuals. Moreover we instill in the girls the right values and attitude to lead a fulfilling and balanced life. The school also gives utmost importance to developing a strong foundation through discipline, character building and traditional values.

We believe that every child is unique, and that by providing individual attention the immense potential within her can be tapped. Therefore we have created an environment that's ideal for joyous learning where teachers act as facilitators, and aim to raise children who are conscious of their responsibilities.

Vision

To impart an integral education, that is global and all-comprehensive, based on a strong foundation of Indian tradition, culture and values.

- Integral education means complete and total education, taking into account the physical, intellectual, emotional, and spiritual development of the child.
- Global connotes an 'Institution with a Global perspective' that uses the latest pedagogical techniques and achieves learning outcomes that cater to children coming from different parts of the world, who eventually bond and learn to live together in harmony.
- All-comprehensive means the education is holistic that imparts global knowledge as well as instills in the students the virtues, right attitude and approach to lead a fulfilling and balanced life.
- The school stands out for not only giving wings but also keeping the children grounded by inculcating morals, ethics, values, and respect for our rich culture.

Values

At **Dr.Gagandeep Rotary Public School**, we believe education should empower children to live a balanced happy life. We endeavour to build strong character that helps students understand and appreciate the right values.

To mould the character of our students, and groom them into balanced individuals, we work towards imparting what the World Health Organization describes as the nine major life skills: decision making, problem solving, critical thinking, effective communication, interpersonal relationships, self awareness, empathy, self-esteem and coping with stress.

For the all-round development of the students, the school focuses on:

- Enlightenment through academics
- Empowerment through technology
- Enrichment through creative and performance arts

- Excellence in sports
- Environment consciousness
- Empathy towards mankind

Dr.Gagandeep Rotary Public School acclaimed for -

- academic excellence
- inspiring the quality and breadth of its academic programmes
- research initiatives
- creative work
- creating avenues for students display to their creativity
- honing the leadership skills
- nurturing faculty
- providing support needed in achieving career goals

MEDIUM OF INSTRUCTION

The medium of instruction of this school is English. A special emphasis is laid on spoken English develop a habit of unreflective right utterance among the students. It is achieved by adopting English as the spoken language of the school as well as by providing special syllabus and periods in the daily routine for conversational English. To asses the progress made and the standards achieved, the students are examined biannually.

To augment this, it is insisted that all the teachers are very well versed and proficient in the art of conversation in English Language.

AFFILIATION

Presently, School is affiliated to P.S.E.B., SAS Nagar (Mohali) upto Secondary level.

REGISTRATION FOR ADMISSION

Preference for admission is given to those students whose names have already been registered. A child can be got registered with the school for admission between March and commencement of academic session of every year. Registration is highly appreciated as it helps the school in planning.

ADMISSION

The students are admitted to the school on the basis of admission test to be conducted by the school. The new session begins in April. The qualifying admission test is given according to the mental level of the child. The Date of birth certificate must be attached with the admission form.

S.U.P.W.

In addition to the subjects mentioned above, Physical Education and S.U.P.W. comprising various activities such as Community work, Gardening, Flower Arrangements, Doll making, Singing, Dancing, Computer Science, First aid etc. have been also introduced for the students of **Dr.Gagandeep Rotary Public School**.

GENERAL KNOWLEDGE AND MORAL EDUCATION

General knowledge and moral education form an integral part of the school curriculum as do regular class subjects. Through general knowledge periods, it is endeavored to acquaint the students with day to day affairs of national and international levels and thereby keep the students abreast with the current problems. Our Students participate in all India general knowledge competitions. In this materialistic world of today, a spiritual void is likely to be created and moral science will make up for this void. The introduction of moral science as a subject become essential to imbibe among the students a sense of self-discipline, dedication, devotion, humility and sacrifice for the well being of the fellow citizens.

INFRASTRUCTURE & FACILITIES

The uniqueness of the school's environmentally sound infrastructure lies in its design and the use of natural building materials. Every structure in the school is designed for learning. Each room is further designed to link with the other structures giving the learner a feeling of space and being a part of nature.

Classrooms at **Dr.Gagandeep Rotary Public School** are spaciouly built with good ventilation, natural light and with some of the most comfortable round edged furniture and all the classrooms are further equipped with modern teaching aids and equipments. The large premises of the school, provides ample space for administrative block and lush green playground. Rainwater harvesting further helps conserve ground water. The building of **Dr.Gagandeep Rotary Public School** houses every possible facility for the children. Some of the school facilities consist of:

- Library
- Science Lab
- Maths lab
- Art & Craft Centre
- Activity Centre
- Spiritual centre

Games & Sports

Dr.Gagandeep Rotary Public School has excellent sports facilities set in stunning, landscaped grounds for boys and girls. High standards of coaching and good facilities enable the children to develop impressive skills. We value games because sport encourages confidence, self-esteem, social skills, teamwork and a sense of fair play, as well as helping to develop the full physical potential of each child. Games, Physical Education are all timetabled in the curriculum. The students are exposed to a variety of games and sports like:

- Cricket
- Volley Ball
- Basketball
- Badminton
- Football
- Athletics
- Skating
- Yoga
- Table Tennis
- Carom
- Chess
- Gymnastics and, many more on the list

In addition to the major sports, children have the opportunity to learn a variety of other minor sports in Physical Education lessons and activity time.

Goal & Values –

- 🏆 To impart quality education and enable the pupils to pursue excellence in the field of their choice.
- 🏆 To ensure the proper physical, mental and moral growth of the pupils and to create in them a zest for learning in tune with modern scientific temper.
- 🏆 To enlarge the mental horizons and to broaden the outlook of the pupils through the inculcation of the Reading Habit and the Book Culture.
- 🏆 To arouse in them the aesthetic sense in order to appreciate and uphold the beauty of nature and everything in it both animate and inanimate.
- 🏆 To provide the pupils with opportunities (through a built in system of co-curricular activities) to be innovative, independent and confident so that they may ever channel their energies towards creative pursuits.
- 🏆 To help them to understand and appreciate that one's own good lies in the general good, through training in cooperation, team spirit and concern for others expressed through genuine service.
- 🏆 Provide holistic and Progressive education in tune with the latest developments in

Education.

- ◆ Acquire "Learning to Learn" skills through unique and innovative teaching methods.
- ◆ Develop a spirit of community and Service Mindedness.
- ◆ Groom students to be multi-faceted citizens with well honed thinking skills, good communicative abilities and high self-esteem.
- ◆ Enable children to appreciate and imbibe our rich cultural heritage and values.
- ◆ Nurture and promote talent in sports and all co-curricular activities.
- ◆ Achieve all of the above with right ambience, state of the art infrastructure and highly motivated, well trained faculty, whose professional skills are constantly enhanced.

A set of core values continue to guide through the process of transforming the conglomerate into a high-performing and caring environment for our students and society.

- Improving quality of education of our students, as we believe quality is a way of life.
- Creating value for parents, for the trust bestowed on us.
- Building an empowered and educational family, as the foundation for a bright future.
- Responsibility towards the society and environment, as we owe our existence to them.
- Being innovative in solutions, for being different, counts.
- Striving for excellence in whatever we do, to follow the exclusive path to leadership.
- Flexibility and speed shall be our oars for navigating the turbulent seas.

Faculty –

Much of the image of the school and the development of the students depend on what type of faculty an institution has. Since English is the medium of instruction, we will endeavour to recruit trained faculty with experience in public schools, high qualification and above all proficiency in spoken English. Through training, we hope to develop among the members of staff a sound ethos and professional attitude.

And a teacher at **Dr.Gagandeep Rotary Public School** is much more than a source of wisdom and knowledge. Teacher is a leader, motivator, facilitator, friend, guide, role model and mentor. **Dr.Gagandeep Rotary Public School** recruits only top-of-the-line teachers in every discipline, under the aegis of the Modern Secular Educational Society.

The faculty at **Dr.Gagandeep Rotary Public School** is a highly dedicated and professional team, with the special qualities of patience and understanding that distinguish a good teacher. They are dynamic, relaxed and enthusiastic with the ability to create a friendly atmosphere in which the student can express himself and learn. Teachers, as facilitators, guide and Counsellor encourage the development of each student by providing security & warmth and emphasizing self-discipline. Never satisfied with tried and tested measures, they delight in creating more effective ways to explore and share knowledge thus breathing life into their teaching, thereby, enabling the students to go beyond rote learning. Our teachers are here because they love teaching, they love kids and they love **Dr.Gagandeep Rotary Public School**, resulting in a dynamic, challenging, interesting and excitement filled atmosphere.

All this is possible because of our continuous and comprehensive In-Service Orientation, Teachers' Exchange Programmes, Education and Training Programmes for Teachers through self-motivated school based activities and incentives. These programmes, both at the beginning

and in the middle of sessions, take care of not only imparting information about changes in syllabi & latest trends in education but also tackle issues like stress management, improved communication, effective teaching methods etc.. Further, the School has its own Resource Centre to ensure that all its teachers employ innovative and effective teaching methods, and are thoroughly conversant with their subjects, updating content and methodology continually.

Facilities & Features –

A journey of a thousand miles begins with one small step; Value Based Study planning is the process of imparting education to meet educational goals. **Dr.Gagandeep Rotary Public School** offers exciting career opportunities & encourages their students to develop new competencies and take on additional responsibilities. We will provide our students with opportunities to prove their educational-cum professional worth, being a merit-based institution with a transparent appraisal and reward system, having following facilities and features:

- A Co-educational, English Medium, Secondary School
- Smart School, having EduComp Smart Classes
- Computer Lab with latest technology computers and internet facility.
- Science and Mathematics Lab well equipped with the required equipments.
- Library, well equipped with Magazines, Newspapers, Journals, Variety of Books etc. with sitting capacity of 70 students.
- Inclusive Meritocracy
- Career Growth
- A loving, caring & learning environment with lot of learning opportunities
- Ability to influence change
- Commitment to a published value based system
- Facility of indoor & outdoor games

Transportation System

The school has fleet of Buses to provide to & fro transportation facility to the students of the school.

The school transport will operate as per the rules prescribed:

- Details of school transport can be had from the school office.
- For any change in the bus arrangement, written requests stating adequate reasons should be made.
- No student shall be allowed to use the bus one way. The bus fee will be charged both ways.
- The transport fee is liable to change from time to time and may be revised at any time during the session.

Parents will avail the transport facility for their wards at their own risk. The school shall hold no responsibility in case of accident resulting in injury or otherwise to the students.

Rules & Regulations –

1. Every student should carry the school diary daily.
2. Students who come to school on their own should arrive at the school 5 minutes before the bell rings.
3. Students should attend the school in uniform prescribed for the season & should be habitually neat and clean.
4. Students coming late or absenting from the school without permission should bring proper application for leave from their parents/guardians.
5. Non-Sikh boys should get their hair-trimmed at regular intervals.

18. Results declared at the end of the year are final.
19. Should there be any infectious disease at home the students are not to be sent to school till the danger of infection has passed.

SCHOOL CURRICULUM –

The school curriculum is based on the educational needs of the students within the requirements of the C.B.S.E board examinations. The curriculum aims to promote a comprehensive educational programme, which shall equip the students with thorough knowledge and strong values. It also aims at instilling confidence in the students to face their Board examination effectively. The syllabus for each class is carefully planned to ensure that the student acquires a sound knowledge of basic concepts in all the subjects.

The learning process is further enriched by the teacher-designed worksheets, which are regularly provided to the students. Besides, the visual medium also forms an integral part of the curriculum to enhance student learning.

The school curriculum includes subjects ranging from English, Hindi and Computer to Physical Education, Music and Art. Besides, the curriculum for classes includes General Knowledge and Moral Science too.

House System –

The entire school is divided into 4 houses. Each student is allotted a house at the time of joining the school and inter-house activities form an integral part of the school calendar. To inculcate a spirit of competition among students, each house is also assigned with duties on a weekly basis, which cater to the discipline of the school, news-reading and hosting of functions pertaining to religious as well as national festivals. Each houses has been assigned a colour & week on duty month for general cleanliness and other activities in the school.

Inter house competitions in Debates, Dramas, Sports, Painting, School Beautification, Sanitation, Cleanliness and discipline are held as per schedule given in the school calendar. In fact, this competition forms the very basis of the texture of schools like this.

DISCIPLINE

In aiming to furnish the environment so necessary for the guided growth of a child, the school places great importance in maintaining a smooth ordered system through meaningful discipline and...

- English being the medium of instruction, all the teachers and students are required to use English language for academic work and general conversation in the school premises.
- Behaviour of the children at the campus and outside is our concern. All the movements of the students on the school campus must be orderly, quiet and purposeful. A student should stand upright and alert while wishing or conversing with the principal, a teacher or a visitor. All the students must be smartly dressed during school hours and must develop a habit of caring for personal cleanliness.
- During change of periods, the class monitor shall be authorized to mind the class.
- Pupils shall keep their class room in particular and school premises in general neat and clean and shall not disfigure the walls, scatter bits of paper on the floor or commit any other unhygienic act.
- No books (other than text or Library books), magazine should be brought to the school without the Principal's permission.
- Money should neither be lent nor borrowed nor the articles be exchanged by students.
- All letters and correspondence addressed to pupils are subject to scrutiny of the Principal.
- Running, playing, shouting and whistling inside the school building is never allowed.
- Parents and guardians are not permitted to walk into class- rooms or interview teachers during class hours.
- The name, standard and section of the pupil should be clearly marked on all his/ her belongings.
- No pupil may leave the school premises during the school hours and recess without the prior permission of the Principal.
- The students are not allowed to receive visitors or make phone calls during class hours unless the matter is very urgent and that too with the permission of the principal only.
- Any pupil to be exempted from P.T. or games must produce a medical certificate from a doctor to this effect that he/she is physically unfit to take part their in.

CO-CURRICULAR ACTIVITIES

An equal and paramount importance is given to extra-curricular activities to achieve an all-round personality development of the students. Besides the inter-house activities the students are encouraged and motivated to participate in various other activities related to music, dance, art and sport. The students are also made to participate in inter-school competitions, which range from debates and quizzing to music and sports etc.

The sports segment is efficiently managed by the physical instructors who impart a comprehensive physical education programme. The school takes pride in involving itself in varied sport activities like table tennis, volleyball, badminton etc. Besides, the school has a coach specialist in Judo who imparts skills related to the Martial art to the students of our school.

The school offers the students to develop various talents help to enhance their physical and mental health and train them to become responsible members of society. All students are expected to participate in various co-curricular activities offered by the school. The object of these activities is to develop creativity, organizational abilities and to develop self confidence and personality. The aim is to train the students in the art of public speaking, orderly argumentation and developing dramatic talents. The following activities are planned for the year to take place.

1. Quiz Competition.
2. Lecture Competition.
3. Essay Writing Competition
4. Bag Competition
5. Fancy Dress Competition
6. Poem Recitation Competition
7. Science Fair
8. Art Competition
9. Declamation Contest
10. Spelling Contest
11. Debate Competition
12. Story Telling Competition
13. Handwriting Competition

ACTIVITY CLUB/SPECIAL ASSEMBLIES

Besides, activities swing into full force to nurture the inherent talents of the students. The wide spectrum of activities range as follows:

- Science & Environment
- Computer
- Mathematics
- Personality Development
- Table Tennis
- Yoga
- Quiz
- Art & Craft
- Dance
- Music
- Karate
- Sports etc.

Each student is allotted the activity of his/her choice as per his/her aptitude and talent. This gives a first hand opportunity for the student to realize his innate ability besides academics. This also contributes immensely to boosting the confidence of a student whose academics may not be his /her forte.

SPECIAL ASSEMBLIES

Special Assemblies play a multiple role in catering to the growth of the students. During these assemblies, relevant topics are chosen to create awareness amongst students and talk shows are conducted to drive home the message in an emphatic manner. Also amidst rapid westernization, these assemblies strive to invoke the richness of our culture and tradition through dance, drama and skits.

AWARDS

The school has instituted various awards for the students in academics, games and sports in the form of medals, trophies, cups and certificates to constantly encourage the students' to deliver the best.

Celebration of Festivals

We like our students to be modern yet be proud of their heritage and imbibe a strong value system based on mutual respect for other cultures and traditions. Thus we celebrate all festivals with equal reverence and fervor.

Evaluation

Our aim will be of Continuous Comprehensive Evaluation (CCE) which will be successfully introduced in school. Continuous assessment of the student's performance is determined by his/her performance in class tests, Monday tests, projects, discussions and the term exam. At the end of each month, a parent-teacher meeting is held to appraise the parents about the performance of their wards. For promotion, the student's work throughout the year as well as his/her performance in the terminal exams is taken into account.

Our school

1. Through a rich curricular and extracurricular programme and strong links with the community, we will help each child discover and develop their talents and interests.
2. We believe in collective ownership and developing leadership throughout the organization
3. We will use every appropriate opportunity to unify our new school and develop a whole school culture.

In our school, we follow Teach Next Smart Class Technology. Smart class is a digital initiative. It makes available a vast resource of knowledge to each class through interactive multimedia content, fostering a better understanding of the course curriculum. What a smart class does is it:

1. Brings abstract and difficult curriculum concept of life.
2. Improves teachers' efficiency.
3. Makes learning an enjoyable experience for students.
4. Maximizes academic performance of students.
5. Enables constant monitoring of a student's progress in class.

Learning beyond the classroom

Various activities included in our school to help the students to discover their performance and go a long way in defining their true personalities. During years of research leading to the science of education, it has been found that the best approach towards grooming a child is a rounded one, which enables a student to select from a vast array of co-curricular activities.

Co-curricular activities are:

Creative Arts	Performing Arts	Sports	Others
Art and Craft		Football, cricket, chess	Social work
Painting, Gardening	Elocution-debating	Badminton, Tennis	Discipline
Calligraphy,		Kabbadi, Kho-Kho, Basketball, Archery	Environmental awareness
Candle making etc.			

- Learning by Involving

Tell me and I will Forget
Show me and I Remember
Involve me and I will understand

We Have -

1. Vast pollution free verdant campus.
2. Well stocked library.
3. Playgrounds and open Spaces to make teaching/ learning a joyful and rich experience.
4. Fleet of Buses to provide to & fro transportation facility to the students of the school.
5. Computer Lab with ready Internet Facility.
6. Panel of eminent educationists to assist, guide and support the school authorities.
7. Dedicated and highly qualified staff- a rare blend of youthful energy and experience.
8. Provision for First- Aid and Medical checkup camps.
9. Where academic excellence, sports and games infrastructure is embedded to rich Indian culture and heritage especially the Punjabi ethos.
10. Programme for integrated personality development with emphasis on sense of duty and selfless service.
11. Career planning- through camps, career talks, presentations, debates and discussions.
12. Pragmatic and compassionate approach in crucible Indian ethos and culture.

PARENTS MEET

Education is a quadrilateral process. Keeping it in view, we hold parents meet once in a quarter. When the home and the school sit together, lot of problems are settled down. School and home both remain in touch with the progress of the students. Solutions and remedies for slow learners are sorted out. The attendance of parents reflects their awareness towards their children. The school provides the parents enough venues to know relevant progress of their children and also to get updated and timely information.

LIBRARY

The school library stocks more than 4000 books on a variety of subjects, and new books are added every year. The librarians assist students to pick authors and subjects that best suit their interest, in the process inculcating in them the habit of reading. It also has reading room facilities, and provides newspapers and magazines of international repute. We subscribe to the leading newspapers, journals, magazines and periodicals from around the world that keep our students abreast with national and international events.

The audio-visual section of the resource centre has a range of videos and audio cassettes, CDs and DVDs on a range of subjects. The students have easy and regular access to the films that are used as part of curriculum and can enhance their understanding of the subject.

The library is not only a huge resource centre but also a hub of intellectual activities. Regular storytelling sessions for younger students are conducted in the library.

Reading of library material always supplement the text book knowledge. BGS School provides well stocked library offering a reliable reference, source across the subject range.

A large part of a child's life is spent in the school. However every child gets his/her emotional stability from his parents. It is the parent's attitude that a child absorbs.

A parent must spend some time with their wards. Encourage them to do their work regularly from day one the school commences. Main motive of school is to overcome the fear of the child in his initial years and converting it into joyful experience. Teachers provide a loving and nurturing environment to the students. Our endeavor is ensure that each student is endowed with qualities and traits that are hall mark of every BGS student. For the child, the whole world is a classroom and every experience is learning for life.

Our children are our strength and inspiration. They challenge us to give our best and thereby enrich the learning experience at school. We wish to produce leaders who will take on responsibility and have the courage to be instruments of change.

"Education is our passport to the future, for tomorrow belongs to the people who prepare for it today".

Labs

The ultramodern Composite Science Laboratories for Physics, Chemistry & Biology provides a platform for students to nurture the budding scientist within them. These facilities make learning a pleasurable and realistic experience. The very atmosphere of the labs is stimulating and invigorating. For those in primary classes, the school has activity rooms where students get experiential learning opportunities.

Computer Lab

As the world is becoming more globalized and technology is increasing day by day, the school has given ample facilities to its students.

Besides these, there is also lab for Mathematics.

Sports

Every student at **Dr.Gagandeep Rotary Public School, Sunam, Distt. Sangrur (Punjab)-148028** undergoes a general fitness programme that includes daily yoga classes. The skill-set of each student is identified and every effort is made to nurture it. The students are given opportunities to excel, and join the school sports team. Apart from organizing inter-school and inter-house competitions, the school takes part in state and national level sports events and hosts marathon and swimming championships too. Our students also excel in marching and athletics.

The campus has provision of courts for basketball, throw ball, hockey, table tennis, lawn tennis, badminton, roller skating, gymnastics, indoor heated swimming pool and facilities for athletics and track events. Many of our students get selected to the state and national teams.

Arts

Every Sunday, each student devotes three hours to hobbies, during which they pursue creative and performing arts, and other non-scholastic activities.

PERFORMING ARTS

Dance

The benefits of dance are many fold. Dance helps to hone physical skills and shape mental abilities. Dance is a very effective form of exercise that impacts almost every part of our body. We encourage students to take up dance in one form or the other. The school lays special emphasis on Indian classical dance forms as we believe they help in bringing out poise, charm and beauty in girls.

Music

we have gifted maestros as part of our team of faculty who not only ignite and kindle but also sustain the musical spark in our students. The children are chosen according to the aptitude and artistic bent and trained in groups in different disciplines and instruments including drums, tabla, dholak, taal, bongo, guitar, sitar, violin, santoor, sarod, xylophone and mandolin, harmonium, casio synthesizer, piano and banjo. In vocal music, there is option of both Western and Hindustani- classical and light fusion.

The students get an opportunity to showcase their artistic finesse at events like inter-house talent contests, Founder's Day presentation, inter-school contests and many other events and competitions. The nuances of different musical art forms help the young ladies from across the globe to understand the depth of music. This also helps them bond with each other's culture through the universal language called music.

Art Gallery

The art gallery within the library building provides a platform to our students to showcase their creativity. The four sections showcase artifacts, miniatures, sculptures and paintings to help children gain an insight into artistic expressions. On display are also the artistic pursuits of the students in different mediums.
