With due respect, we honour the suggestions proposed by IC during physical inspection and ready to compliance the same on top priority & hereby submit our comments on Inspection Report- As per guidelines of IC, to improve teaching Methodology of the faculty and to take up CBSE pedagogical changes, earlier the School Managing Committee has already organized a teacher training programme in our school campus by a reputed institution i.e. Extramarks Education India Private Limited, Noida-201301 to enrich their knowledge and hereby inform your esteemed Board that we have conducted an another training workshop of teachers on 'Innovative Pedagogy' to equip the teachers for taking up the CBSE pedagogical changes, as per the guidelines of Hon'ble IC members and attaching herewith copy of certificate as an evidence in support of the same. Further, it is also ensured that the SMC must conduct/ send the teachers for in-service refresher/ re-orientation programmes to update their knowledge and teaching skills, to be organized by CBSE schools/ CBSE/ other agencies nominated by CBSE, on current educational issues like NEP 2020, for further more development in teaching Methodology of the faculty, after grant of affiliation, in near future too.
